

## How to get started...

Read, go on-line, and learn from experienced beekeepers. The support and encouragement you receive from your fellow beekeepers is a tremendous help.

The Monadnock Beekeepers Association has been providing instruction to new-bees for quite some time. Classes are offered each year, and much of the time is spent in the hives.

These sessions run throughout the summer, and will give you a better understanding about the magnificent little creatures.

~~~~~

At what temperature will bees fly?

How much honey does one bee make in is lifetime?

Why do we wear white?

**The Monadnock Beekeepers Association** is a beekeeping club for both beginning and experienced beekeepers in the Monadnock and Connecticut River Valley regions.

We usually meet on the first Thursday of each month either at Stonewall Farm in Keene, NH or at the Dublin Public Library in Dublin, NH.

Please feel free to come to a meeting or contact us if you have an interest in beekeeping.
